

# From the principal ...

It is hard to believe that November is already upon us! The last of the autumn leaves will blow away while the squirrels hurry to gather nuts for the winter. Those morning frosts remind us that snow is not far away!

With Parent/Teacher conferences and Thanksgiving break tucked into the month, we have to be just as busy as the squirrels to get everything accomplished. Teachers will send report cards home on Friday, November 4<sup>th</sup>. Please discuss progress with your children. Parent/teacher conferences, held on November 21<sup>st</sup> and 22<sup>nd</sup>, are a great time to hear about your child's strengths and work together to address growth. Students are sometimes nervous about conferences, but should be assured that parents and teachers work together for their benefit. Please be prompt for your appointed time. Of course, you are welcome to contact teachers at anytime throughout the year.

As we enter the colder months of the year, please send your children to school with appropriate outdoor clothing. We do go outside for recess as much as possible. So hats and gloves are a must!

Three first grade classrooms tied for the walking stick for the month of October. Congratulations!

# Student Council

Student Council has had a great start to the year! We have been collecting Sunny D Labels for books for the classroom. We have also sponsored Red Ribbon Week to promote drug awareness. We will be sponsoring **Pennies for Patients** again this year. The fundraiser will run from **October 31<sup>st</sup> through November 18<sup>th</sup>**. Our goal this year is \$1500. Any donation is accepted! Thank you in advance for your support!
