# From the principal ...

*Groundhog Day is February 2nd. It is said that if the groundhog sees his shadow, there will be six more weeks of bad weather, and if he doesn't, that spring will be here soon. I am hoping for a cloudy day!*

*Teachers at Millennium are planning a Celebrate Reading Week at the end of the month. We will have our traditional Drop Everything And Read Breakfast and an Author Visit Day that includes an evening event. Watch for details!*
