

Principal's Message

Happy 2010! Thank you for your generosity towards the charities we supported in December. You gave many toys, food, hats, gloves, and mittens to those in need.

We have many great events to look forward to in the new year. On February 25 a children's author will present two assemblies during the school day. There will also be a family event that evening. More info to follow. The Math-a-thon to benefit St. Jude's Children's Hospital is also planned. Watch the virtual backpack for information.

At this time of year our lost and found box begins to overflow. If you are missing items, please feel free to come in and look. In June all leftover items are donated to Goodwill.

Ink Cartridges and Old Cell Phones. Please remember to donate your old ink cartridges and cell phones in the bin at the front of the school. We receive funds to purchase items for the learning center and classrooms with this program.

Gentle Reminders

Parents please remember you must call the school office before 8:30 a.m. when your child will be absent or late for school. Millennium is equipped with 24 hour voice mail so you may leave a message at any time.

Please keep changes in transportation to a minimum. If necessary, please send a note with your child. As with all notes sent to your child's teacher, include your child's first name, last name and room number, since all notes are sent to the office.
