- Car riders will be dismissed through the south door. They will enter their cars along the south sidewalk.
- Bus riders will be dismissed through the West doors (main entrance) beginning with Kindergarten and First Grade at approximately 2:20.
- Walkers will be dismissed when all cars and busses have left school property through the south and west doors at 2:25.

Car riders

- If you drive to school we ask for your cooperation when dropping off and picking up your children.
- Please follow the marked arrows through the gates on the south side of the building.
- Drive slowly and remain alert.
- Children should exit their car on the **PASSENGER** side, closest to the sidewalk.
- Parents who choose to park on the street and walk their child to school should be conscious of the "No Parking" zones at the corner of 169th Place and Odell. This will assist with optimum visibility by oncoming cars.

In the interest of safety for all our students, please do not call your child back to your car once they have exited in the morning or entered the car in the afternoon. Our patrol has been advised not to let students back into the car lanes. At arrival, if your child has left something in the car, please call one of the adults over or park in our parking lot and bring the item into school. At dismissal, if your child needs to return to the building, please park and wait until the bus riders and walkers have left the school grounds. As always, thank you for your cooperation.

****Illinois law states that cell phone use is prohibited by individuals driving cars in school zones when students are present.**

Picture Day

Lifetouch Studios will take individual student pictures. These pictures are prepaid. Payment is due on Picture Day. **Picture Day is FRIDAY, September 9, 2011.**

After School Activities

- Students may remain after school if they are attending a function sponsored by Bannes School.
- Students who choose to remain after school will need written permission from their parents or guardian stating reason, time limits, and method of transportation for the return home.
- Students attending interscholastic events must leave at dismissal and must be accompanied by a parent/guardian upon return.

Classroom Parties

- Three major classroom parties are held: Halloween (grades K-5) Winter Break (grades K-5), and Valentine's Day (grades K-3).

Parent Teacher Organization (PTO)

- This organization has a long history of high involvement and wonderful support for the learning environment at Bannes.
- Parents are encouraged to actively participate.
- PTO sponsors several fund raising projects.
- PTO also sponsors our weekly hot lunch program, a variety show and assemblies.

Volunteers

- Parents are welcome, and needed as volunteers in many areas.

- There are opportunities to assist in the learning center and individual classrooms from time to time.
- If you wish to volunteer, make arrangements with the teacher or learning center director.

All volunteers will be asked to complete a "Volunteer Acknowledgement Agreement of non-Criminal Background" prior to working with our students. We will need a copy of your driver's license along with this form.

Behavior Policies

- As citizens, students have certain rights and responsibilities.
- Classroom teachers, along with students, develop classroom rules that are clearly stated and fair.
- Likewise, consequences for breaking rules will also be clearly defined.

Dress Code

- **PLEASE NOTE:** In the interest of student safety and to allow all students to fully participate in physical education activities, our PE staff has established the following guidelines for shoes to be worn in PE class.
 - *Gym shoes should: Support the feet.
Cover the top and back of the foot.
Have laces or Velcro closures.
 - *Gym shoes should **NOT**:
Have platform soles.

Communication

Newsletter and Calendar

- The monthly newsletter and calendar will be available on our website at KSD140.org. Click on the Bannes link. A paper copy will be sent home if requested.
- Email is encouraged as the main vehicle for communication between home and school. Responses will be made whenever possible by staff.

Conferences

- Parent-Teacher conferences take place on November 21 and November 22, 2011. This is an important time to meet with the teachers and work together to meet your child’s needs. There will be a sign-up sheet for these at our Open House on August 23rd.
- If you have special concerns, do not hesitate to contact your child’s teacher to make an appointment for a conference at anytime during the school year.

Homework and Classroom Procedures

Homework assignments vary depending on the grade level of your student. Check with the teacher early in the year to understand expectations and class procedures.

****Vacations-AVOID SCHEDULING ANY VACATIONS DURING THE SCHOOL YEAR.** If you are planning a trip, please let the office and the classroom teacher know at least ONE WEEK prior to the trip. Student’s absences will be marked as unexcused during this time. Work missed during this time is neither eligible to be graded nor factored into the student’s final grade.

Lost and Found

- Lost and found items are located in the school office. Please label clothing and belongings. Feel free to visit the office to retrieve lost items.

Disciplinary Action

- Rules and regulations within a school community are for the well being of all. If a student disobeys classroom rules the teacher will conference with the student and review agreed upon classroom rules and consequences.
- If a student consistently disobeys school and/or classroom rules, or violates the rights of others, disciplinary action will be considered.
- The first course of action takes place between the student, teacher, and parent.
- If misbehavior continues, or is of great magnitude, the student may be suspended from school for a period of time.
- Every attempt will be made to counsel, guide, or advise all parties to a fair solution. Parent cooperation is necessary and appreciated.
- Privileges such as field trips and other special activities can be withheld as a consequence as needed.

Please refer to the district handbook provided within the district calendar for more in-depth information concerning policy and procedures on discipline, behavior management plans, detention and suspension.

STUDENT INFORMATION**Emergency Information**

Each student is required to have the following information on file:

- Parent(s)/guardian(s) name
- Complete and up-to-date address
- Home, work and cell phone if available
- Emergency number of a friend or relative in the local area
- Physician's name and phone number
- Medical alert information (if applicable)

Please help us maintain up-to-date information by notifying the school immediately with address and telephone number changes.

Emergency Procedures**Emergency Drills**

- Evacuation procedures are posted in each classroom. We will conduct drills on a regular basis.

Emergency Evacuation

- In the event of an emergency, students will be evacuated according to practiced drill procedures.
- If we cannot return to the building, our alternate evacuation site is Grissom School at 170th and Grissom Drive. Students will be dismissed from there at the end of the normal school day. In the event of a prolonged evacuation, students will be evacuated to an off-site holding area.

Emergency Weather Warning

- Students will not be dismissed from school during a Civil Defense or National Weather Service Warning. If a warning overlaps our dismissal time, dismissal will be delayed.

First Aide/School Nurse

- We have the services of a full-time registered nurse. In her absence, the office staff will oversee the health office.
- First aid is administered as necessary.
- In the event of a serious injury, the parents are contacted immediately. If the situation warrants, paramedics will be called; the ambulance cost will be the parent's responsibility.
- ***Emergency information must be up-to-date.***

****PLEASE NOTE:** Any student with a fever of 100 degrees or more will be sent home. The student must be fever free for 24 hours before returning to school.

Medication

- The school nurse or designated office personnel administer medication. Students may not carry medication at any time. (Ask the nurse if you would like your child to carry their inhaler for asthma.)
- Students who require medication at school must have two letters on file in our office. Please see the nurse for these forms.
- We cannot administer aspirin, cough medicine, or other medicines. All medication must be brought to school by the parent. Children may not bring medicine to school. Please see the nurse to make arrangements to drop off medication.

Lunch

- All students carry their lunches to school. Please help your child be responsible for this on a daily basis.
- Label lunch boxes/bags with your child's name and room number visible on the OUTSIDE.
- Students are asked to use a baby wipe before and after lunch to wash their hands. Teachers may ask for additional wet wipes throughout the year. Thank you for your generosity.

Playground/Recess

- Safety is the determining factor for playground behavior. Students must remain in the playground area at all times during recess. Games such as tackle football, wrestling, etc., are not allowed. If the staff member supervising recess concludes that any activities are too rough or may cause injury, they may limit that behavior. Equipment has been provided for each grade level. After recess it should be collected and returned to the appropriate grade level bag.
- Students are not allowed to trade cards of any variety at recess. This tends to promote ill feeling towards peers. Please make sure your child leaves their playing/trading cards at home.
- Walkmans/iPods are not allowed to be brought to school for personal use.
