#3 *Bannes school will implement “Character Counts” as a school program to support anti-bullying and promote good citizenship and mutual respect.*

Results: Bannes School successfully implemented Character Counts throughout the school. A parent meeting was held to introduce the program to the public. Lessons referring the six pillars of character were instituted by our counselor in every classroom throughout the school year. An incentive program recognizing students that exhibited one of the pillars of character with their behavior was utilized and emphasized on our Friday morning announcements. Each staff member displayed the six pillars of Character in their classrooms to reference the students about being good citizens.
