

Variety Show News

This year's show is well underway! Please remember that grade level rehearsals start the week of February 15th. If your group has participants in more than one grade, the group needs only attend one grade level rehearsal.

*****Music News for All Groups*****

Please go online to look up the lyrics for your students' music to verify it does not contain anything inappropriate. Every year, music has to be returned due to language or content.

*****Party Rock News*****

After last week's practice there are nine groups that have chosen to use Party Rock Anthem. We also have many groups that have not yet chosen a song. We thought you would like this information so that we do not have too many performances of the same song. You are able to change your song until your music is turned in at your grade level practice. Although this is a great dance song, please consider other songs.

*****5th Grade News*****

A letter was sent home last week with 5th graders wanting to be in a large fifth grade act requesting a parent volunteer to run the act. As there are no volunteers for this position, there will not be a fifth grade act this year. Those students can still perform in the show and are welcome to form their own acts.

*****4th Grade News*****

Currently we have one 4th grade level parent. We need at least two, but ideally would like more as this grade has the largest number of student participants. Without additional fourth grade level volunteers, the fourth grade will not be able to be in the show this year. Please contact any committee member listed below to volunteer.

Thank you,

The Variety Show Committee
