School of Rock: Electric & Bass Guitar Lessons - NEW!

Rock & Roll has motivated generations and School of Rock brings a fresh, new exciting way to learn to play. This unconventional curriculum has a transformative effect on students where insecurity is replaced with confidence. Even if you have never played guitar, from the moment you enroll in this program you are playing music with professional equipment and instructors. This is not your basic form of instruction; you learn to play real songs immediately instead of repetitive chords. Participants should bring their own guitars if they have them. Get amped and start your musical journey today!

Program #: 102230A
Location: Recreation Center
