OVERNIGHT CAMPS

Rez Camp • 2nd-9th grades

Rez camp provides the opportunity for both spiritual and personal growth in a dynamic environment completely removed from the hectic pace and mundane routine of everyday life. Whether conquering teambuilding challenges at the Adventure Zone, enjoying conversations and songs shared around the campfire, or simply playing crazy games, these overnight campers receive a rich experience from a fun, safe setting that they will remember for years ahead.

Horse Camp • 7th-9th grades

Manitoqua has teamed up with State Park Stables to offer a program for campers who have a passion for horses and riding. Trail rides, environment education, riding exercises, and horse crafts are just a few of the highlights of either week. In addition, Horse Camp joins with Rez Camp to create a full week of exciting and life-changing activities for campers.

King's Camp • 5th-9th grades

King's Camp, located in Chana, IL, gives campers an opportunity to live in the outdoors and experience camping in a wilder way. At King's Camp you can enjoy canoeing down the Rock River, cooking your meals over an open fire, hiking, swimming in a lake, and sleeping in canvas-sided cabins. King's Camp is a great opportunity for campers to build lasting relationships and be challenged to go deeper in their relationship with God.

Encounter Camp

Encounter Camps provide opportunities, on an introductory level, for campers to explore new interests and develop skills in each of the four areas. In an environment that welcomes growth and acceptance, campers will uncover God's story and the possibilities of His creation in their lives and the lives of others. Qualified staff will lead campers through an abbreviated week of Encounter Programs. Encounter Camps also participate in classic camp activities in the evening.
