Dear Parents,

On Monday, October 3, 2011 Grissom Middle School will begin its Student Support Program. This program will give students the opportunity to work on homework or other long-term projects in our Media Center. Support will be offered before school on Monday, Tuesday, Thursday and Friday mornings from 8-8:35am. There will not be Student Support on Wednesday morning due to staff meetings. After school Student Support will be held from 3:10PM-4:05 PM Monday through Thursday. After School Support will not be provided on Friday afternoons. Regular bus riders are able to ride the 4:10PM activity bus. Walkers and car riders will be dismissed at 4:05PM and must have arranged transportation home. Students must arrive on time and be prepared to work quietly on school work. Paraprofessionals will be available to offer assistance and supervise students. This is not a tutoring program.
