

Help Helen Keller earn \$\$\$ by just shopping at Target

ALL WE NEED YOU TO DO IS USE A TARGET REDCARD! YOU CAN SIGN UP AT THE STORE OR ONLINE. BY USING EITHER A REDCARD CREDIT CARD OR REDCARD DEBIT CARD, A PERCENTAGE OF EVERY PURCHASE IS DONATED TO OUR SCHOOL!

We all know that times can be tough and that although we would love to participate in all our fundraisers, it can be hard. So here is an opportunity for all of us to donate and help our school by buying the everyday household items that we need.

Inquire online or at your Target Store about a REDcard; not only will you help us raise money but you will also save some for yourself. Every purchase made using your REDcard will automatically save you 5% instantly. There are two different options available: the charge card or debit card. With the debit card there are no fees or charges and is directly linked to your checking account. If the debit is the choice for you, remember to bring a check with when setting up your account. It will be voided and returned to you after the application process is complete. The entire process for either card takes about 3 minutes at the register.

After you have opened your account all you need to do is call the customer representative number on your card or visit www.target.com and click on the manage my REDcard under the REDcard section at the bottom of the page. After doing that you will register your card online and set up the Take Charge of Education, which is the program that donates the money to us, Helen Keller Elementary School.

Remember anyone can set this up. So if there are grandparents, family members, friends, neighbors, coworkers or anyone whom you think might be interested in helping our school while helping themselves, let them know about this great program.

Help us help our school.

Enroll in Take Charge of Education[®] and Target will donate a percentage of each REDcard[®] purchase you make to our school.
