Grissom PTO Food Fundraiser Programs
2019-2020 School Year
February - May Ordering Instructions

Dear Grissom Families,

You will be able to begin placing online orders for all PTO food fundraisers for the second half of the school year beginning ***Wednesday, December 11, 2019***. ***The deadline to order is Wednesday, January 8, 2020.*** **After the deadline date, the system will be closed and no further orders can be accepted.**

There will be on-line ordering only. There will be no paper orders. **If you are unable to access the online ordering system from home, please try using a smart phone, public library computer, or your child's school iPad.**

The link to order is: https://grissompto.h1.hotlunchonline.net/
Please go to the link above and see the "Getting Started" tab for instructions on how to use the ordering system. You may also access the link by visiting the Grissom PTO webpage on the KSD140 website.

When placing your order(s), please keep the following in mind:

- **You are ordering for February through May.**
- Grissom Middle School/KSD 140/Grissom PTO does *NOT* assume any responsibility due to food/health/dietary restrictions. A list of our vendors and phone numbers can be found on the on-line welcome page and on the back of this page.
- Although we make every attempt to use the vendors/items listed for each lunch, unforeseen circumstances may cause an alternate vendor/item to be used to provide some or all of the lunch items.
- **Orders cannot be changed once they have been submitted. Please make your selections carefully.**
- If you choose to pay by check, please print the billing statement page on the website and send in with your check. Make all checks payable to ***Grissom PTO.***
- **If paying by check, the check must in the school office by January 8th.** If it is not, your order will not be processed. Orders are not complete until the check has been processed in the system.
- There will be a $25 fee for all NSF (Non-Sufficient Funds) checks.
- Cash payments will not be accepted.
- If your child is absent, you may pick up their lunch at the school during their lunch period. **As a reminder, we are not able to give the food of an absent student to another student except for siblings.**

If you have any questions related to online ordering, please contact Kelly Rocca at kelly.doolin@sbcglobal.net. If you have a question about a specific food program, please contact the appropriate chairperson.
