Donut Miss Out on this Fundraiser!

Help us reach our goal of $750 in orders and the donut truck will come to Millennium for pickup! The link to the order is in the description of the event on the Facebook event. Contact millenniumtinleypto@gmail.com with any questions. Remember you DONUT want to miss out on this SWEET fundraiser!

If you're interested in volunteering for hot lunch or any other opportunities that may become available as guidelines change in the year please send a photo of your Covid vaccination card to millenniumtinleypto@gmail.com.

Non-vaccinated volunteers are welcome as well! A negative Covid test result must be emailed to millenniumtinleypto@gmail.com 1 week prior to EACH date you are volunteering for the PTO to keep on file for the school.

Hot Lunch Update

The first hot lunch day will be 10/1. All hot lunch orders have been collected and the ordering window has closed. Parents interested in volunteering will sign up on the volunteer website. We are limited to 5 volunteers per hot lunch date, so sign up spots are limited. Volunteers are needed from 10:15-12:45. No smaller siblings are allowed at this time. Masks must be worn. For now, volunteers may only sign up for one hot lunch slot to volunteer each month.

*Per district guidelines ALL volunteers must be fully vaccinated or provide a negative Covid test result within a week of the date they would like to volunteer. Screen Shot of the vaccination card or negative Covid test result must be emailed to the PTO email address PRIOR to the hot lunch date you are volunteering for. We appreciate your understanding of the district guidelines in these trying times. First priority is keeping the students, staff, and our wonderful volunteers safe.
