

4th Grade Embryology Club

Dear Parents/Guardians,

Your fourth grader is invited to join the 4th Grade Embryology Club. Members of this club will participate in various activities about parts of eggs, fertilization & stages of development of chicks, as well as the care and handling of eggs & chicks.

Depending on the success of our hatch, club members may be eligible*** to “chick-sit.”

******Eligibility is determined by in-class behavior, lunch time behavior, classroom responsibility (homework turned in on time, iPad charged, etc.), attendance at club meetings, and full/active participation in the club activities.***

More information/training will be provided during club meetings about this potential opportunity.

Meeting Dates:

Week 1				Thursday, April 11 th	
Week 2	Monday, April 15 th			Thursday, April 18 th	
Week 3				Thursday, April 25 th	
Week 4		Tuesday, April 30 th			
Week 5		Tuesday, May 7 th			Friday, May 10 th
Week 6	Monday, May 13 th				

Meeting Time: 2:30–3:15 PM

Please return the permission slip on page 2 by Tuesday, April 9th.

Thank you.

Mrs. Maurer and Ms. Monahan

Please direct club questions to Mrs. Maurer.
